To whom it may Concern:

Please excuse _____ from School at _____ on _____.

She plays for the Panthers United Field Hockey Team which is sponsored by Chesterfield County Parks and Recreation. The Panthers is a club open to all 5th-8th grade students in Chesterfield County and acts as a "school" field hockey team in the fall season. The program began 7 years ago and has grown from one team to four teams. The teams compete against area schools and other schools in Virginia. The program was started to allow girls the opportunity to play a popular sport that is not offered in the public school system at the middle school level.

The Panthers United players represent their school and Chesterfield County when playing on the fields. The program has become extremely successful and recognized all over the state. Thank you for your cooperation in allowing these girls to play and depart early for out of town games just like they would if it was offered in their school.

It is the Panthers United policy that these girls will be responsible for their assignments, getting the proper notes or lessons they miss and turning everything in on time or in a timely manner. Should you have any questions regarding the program or what we offer please do not hesitate to contact me at the above cell phone number.
